

BIRCHWOOD FLORAL TRIBUTE PROGRAM

Birchwood Cemetery is pleased to now offer a seasonal silk floral program. The program is available as a yearly subscription in which the arrangements are placed three times throughout the year (Spring, Fall and Winter). Option two is available as a one time placement for a season, birthday, anniversary or other special occasion.

Let our staff adorn your loved one's headstone, crypt or niche front with a beautiful floral arrangement. We will place the floral for you and refresh every season with a new selected arrangement.

Arrangements will be placed early Spring, early Fall and early Winter. Enrollment in the program will help you to remember your loved ones, and will be placed by our caring staff. We invite you to take part in what will become a tradition with the seasonal floral program at Birchwood Cemetery.

Birchwood reserves the right to make substitutions of equal or greater value if we run out of stock. All sales include tax. All sales are final.
